

Please consider the following regarding the Localism Hearings and the service of time and energy devoted to the Local areas Served.

KXIT Radio airs News and Public Service several times daily. Our Local News is broadcast Mon-Sat at 7:30am 12 Noon and 5 PM. We run national news 20 hours per day. The Community Calendar Runs between 3 & 5 times a day. We broadcast UIL for the kids at the Elementary School and help many local groups with needed involvement.

Our Veterans committee and KXIT dedicated a memorial with all local funds raised for the project- Over \$ 150,000.00.

The Issue of Localism is a large and major market issue. The small market operator depends on the local community to survive.
